

## GENERAL MANAGER INSTRUCTION 03/2019

### CLARIFICATION ON THE STRIP SEARCHING OF DETAINEES

There is the requirement for detainees to be strip-searched:

1. on admission to the Alexander Maconochie Centre (AMC); and
2. on any entry and exit from the AMC.

This includes all escorts and leave from the AMC, including court attendance. Detainees may be exempt from a strip-search in an emergency or where the risk assessment dictates that it is not required.

Detainees who are participating in the following are automatically exempted from this strip-search requirement:

- a. detainees accommodated at the Transitional Release Centre (TRC) when entering and exiting the AMC; and
- b. detainees who are approved to work outside the secure perimeter of the AMC, including at bulk stores.

This instruction will be reviewed six (6) months from the date of endorsement.
