

EXECUTIVE DIRECTOR INSTRUCTION 02/2019

Policy references to Incentives and Earned Privileges

ACT Corrective Services (ACTCS) continues to systematically review and update all custodial operations policies and operating procedures.

As part of this process, policy gaps are also being identified. One of these is for a comprehensive *Incentives and Earned Privileges Policy* (IEP) which is intended to incentivise detainee behaviour and engagement with constructive activity within the Alexander Maconochie Centre (AMC).

Whilst the IEP is currently under development for implementation in the second half of 2019, a number of references to this policy will be made in new policies and operating procedures. Until the IEP is released and this EDI is withdrawn, all detainees should continue to be afforded the current established privileges mandated within the AMC.
